

LUTHERAN DEAF OUTREACH

FALL 2021

Rough week!

1. Pastor Palmer had a heart attack and is now recovering from 5 bypass surgery.
2. Pastor Reinke and Dacia were involved in an "incident" that totaled their trailer.

ALL that was one week in July! Several people said "wow, we are getting hit!"

BUT... Pastor Palmer is recovering and Pastor Reinke and Dacia were not seriously hurt!! Thank you for your prayers!

NOW for the GOOD STUFF!!!

Blessings of COVID!! What?? Blessings of COVID?? Yes this past year has been challenging. But one of the best things to happen for us is the technology.

We stopped in St. Louis on our way to Nevada and Arizona, thought it would be a short stop. But because of many things connected to COVID we are still here. Normally this would not be good. But because of great internet and advancements in online technology we are able to do MORE!!

Many places are not yet meeting in person and they are not doing workshops. Soooo... we are doing the training online with live interview style training. Monday is chapter 3's in Bible, Wednesday is open topic, Friday is Outreach training, and Sunday is Worship.

MATERIALS: We are able to start putting all of our resources in one place and have them copyrighted on www.Mark732.org. People have advised us to do this for several years and now it is happening!! Please check out Mark732.org and tell us what you think. And what else you would like to see added. ALSO check out Mark732 on Youtube and sign up.

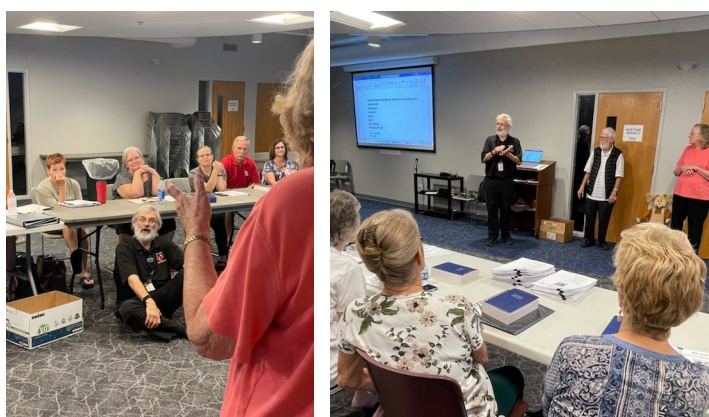

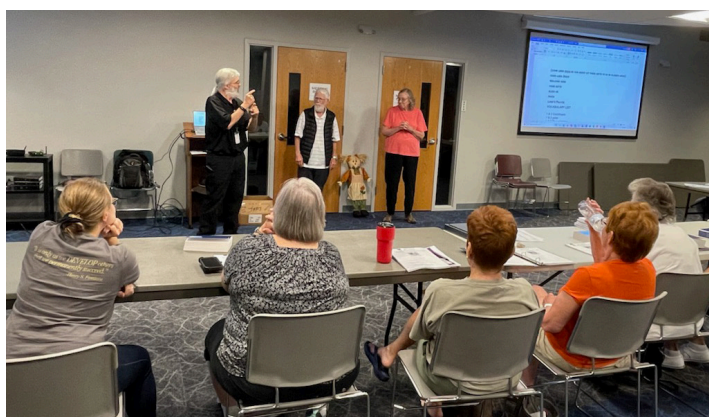

Vicar Daniel Wallis was installed on Sunday, September 12 at Holy Cross Lutheran - Deaf.

We also Thank God for Support Staff. We have wonderful volunteers helping with mailings, office work, and many other things needed. Thank you!!

We also thank God for you! This has been a tough year as people did not meet to send out mailing and congregations did not meet to host Mission Festivals. We REALLY appreciate your continued prayers and support!! Because of COVID - Funds this past year have been VERY tight!!

THANK YOU for continuing to support us, encourage us, and pray for us!!

We are currently mentoring 4 seminary students - one 3rd year student and three 1st year students.
